### Engineering Consultants Section

### INFORMATION BULLETIN 96-07

**TO: CONSULTANTS**

**FROM: ENGINEERING CONSULTANTS SECTION**

**SUBJECT: COST OF LIVING**

For several years, Engineering Consultants Section has allowed Consultants a cost of living increase between 2 to 4 percent per year. This policy has been changed. Effective March 18, 1996 all Consultants having contracts through Engineering Consultants Section will be allowed the National Cost of Living Rate. This year's rate is 2.6 percent. The rate will be changed in March of each year.

The cost of living rate will be negotiated for those labor rates by classification that exceed our maximum.
